RGR30117	Certificate III in Racing (Greyhound)

Qualification Description

This qualification reflects the roles of individuals across different aspects of the greyhound industry. This includes, but is not limited to, trainers, breeders and any full time workers or workers who want a career in the industry. These individuals apply a broad range of competencies related to the health and welfare of greyhounds, racing ethics and integrity as well as competencies that are more technical. They are required to use discretion, judgement and relevant theoretical knowledge.

Licensing, legislative, regulatory or certification requirements may apply to this qualification. Refer to your state or territory Controlling Body or Principal Racing Authority for current licence or registration requirements.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

To achieve this qualification, competency must be demonstrated in:
- 14 units of competency:
  - 9 core units plus
  - 5 elective units.

Elective units must ensure the integrity of the qualification's Australian Qualifications Framework (AQF) alignment and contribute to a valid, industry-supported vocational outcome. The electives are to be chosen as follows:
- at least 3 from the electives listed below
- up to 2 from the *RGR Racing and Breeding Training Package* or any currently endorsed Training Package or accredited course.
