Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 4.0.

AHCXXX2XX	Maintain crop
Application	<p>This unit of competency describes the skills and knowledge required to maintain crop including preparing to maintain crop, maintaining crop and completing crop maintenance activities.</p> <p>The unit applies to individuals who maintain crops under general supervision with limited autonomy or accountability.</p> <p>No occupational licensing, legislative or certification requirements apply to this unit at the time of publication.</p>
Prerequisite Unit	Nil
Unit Sector	[Sector] ([SEC])

Elements	Performance Criteria
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
1. Prepare to maintain crop	1.1 Confirm with supervisor crop to be maintained 1.2 Select tools and equipment appropriate for crop to be maintained 1.3 Select and maintain personal protective equipment according to workplace safety requirements 1.4 Select, fit and use personal protective equipment applicable to the task
2. Maintain crop	2.1 Evaluate crop growth and maintenance requirements 2.2 Identify appropriate starting point for crop maintenance activities 2.3 Position tools and equipment correctly at commencement and during crop maintenance activities 2.4 Use plant training techniques appropriate to crop 2.5 Debud and prune plants as appropriate 2.6 Identify environmental and biosecurity implications associated with maintaining crop and minimise impact 2.7 Record crop maintenance activities according to workplace procedures
3. Complete crop maintenance activities	3.1 Remove and dispose of waste material 3.2 Clean and return tools and equipment to required location 3.3 Identify and report unserviceable tools and equipment according to workplace procedures 3.4 Report crop maintenance activities to supervisor

Foundation Skills	
<i>This section describes those language, literacy, numeracy and employment skills that are essential for performance in this unit of competency but are not explicit in the performance criteria.</i>	
Skill	Description
Reading	<ul style="list-style-type: none"> Interpret textual information from a range of sources to identify relevant and key information about workplace operations and products
Writing	<ul style="list-style-type: none"> Use clear language, accurate industry terminology and logical structure to prepare crop maintenance activity records
Oral Communication	<ul style="list-style-type: none"> Use clear language to confirm crop to be maintained and report crop maintenance activities and tool and equipment unserviceabilities
Navigate the world of work	<ul style="list-style-type: none"> Recognise and follow workplace requirements, including safety requirements, associated with own role and area of responsibility
Get the work done	<ul style="list-style-type: none"> Take responsibility for routine decisions about maintenance of crops and reflect on outcomes to identify effectiveness of decisions
