

Modification history

Release	Comments
Release 2	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 5.0.
Release 1	Initial release

AHCPHT202	Carry out canopy maintenance
Application	<p>This unit of competency describes the skills and knowledge required to prepare for crop canopy maintenance, carry out and complete maintenance and pruning on crop canopies.</p> <p>The unit applies to individuals who carry out crop maintenance under general supervision with limited autonomy or accountability.</p> <p>No licensing, legislative or certification requirements apply to this unit at the time of publication.</p>
Prerequisite Unit	Nil
Unit Sector	Production horticulture (PHT)

Elements	Performance Criteria
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
1. Prepare for canopy maintenance activities	1.1 Confirm canopy maintenance activities and instructions with supervisor 1.2 Select tools and equipment appropriate to canopy maintenance 1.3 Identify workplace health and safety hazards and report supervisor 1.4 Select and maintain personal protective equipment (PPE) according to workplace health and safety requirements 1.5 Fit and use PPE applicable to the task being undertaken
2. Carry out basic canopy maintenance	2.1 Identify and prune unwanted growth 2.2 Remove pruned material out of the canopy 2.3 Perform post-pruning treatments on the canopy 2.4 Shape, support or position canopy 2.5 Use control measures to regulate exposure of the crop to sun and protect crop from damage 2.6 Operate and maintain tools and equipment according to instructions and manufacturer instructions
3. Complete canopy maintenance activities	3.1 Clean, sharpen and return tools and equipment to required location 3.2 Identify and report unserviceable tools and equipment according to workplace procedures 3.3 Dispose of pruned material according to supervisor instructions 3.4 Record and report canopy maintenance activities according to workplace procedures

Foundation Skills	
<i>This section describes those language, literacy, numeracy and employment skills that are essential for performance in this unit of competency but are not explicit in the performance criteria.</i>	
Skill	Description
Reading	<ul style="list-style-type: none"> Interpret textual information from a range of sources to identify relevant and key information about workplace operations and products
Writing	<ul style="list-style-type: none"> Use clear language, accurate industry terminology and logical structure to prepare crop maintenance activity records
Oral Communication	<ul style="list-style-type: none"> Use clear language to confirm and report canopy maintenance activities and report tool and equipment unserviceability
