Release 1	This version released with FBP Food, Beverage and Pharmaceutical Training Package Version 5.0

FBPOPR1002X	Operate automated washing equipment
Application	<p>This unit of competency describes the skills and knowledge required to prepare, load and operate automated washing equipment.</p> <p>This unit applies to individuals who work under direct supervision .</p> <p>All work must be carried out to comply with workplace procedures, in accordance with State/Territory work health and safety apply to the workplace.</p> <p>No occupational licensing, legislative or certification requirements apply to this unit at the time of publication.</p>
Prerequisite Unit	Nil
Unit Sector	Operational (OPR)

Elements	Performance Criteria
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
1. Prepare washing equipment for operation	1.1 Read or listen to work instructions from supervisor and ask for clarification where necessary 1.2 Identify health and safety hazards and food safety hazards and inform supervisor 1.3 Use appropriate personal protective equipment according to workplace procedures 1.4 Identify and load items to be washed according to job specifications 1.5 Confirm equipment and service are ready for use 1.6 Select wash cycle settings to meet safety and wash requirements
2. Operate and monitor the equipment	2.1 Conduct pre-start checks according to workplace procedures 2.2 Measure and load cleaning agent into dispenser 2.3 Operate equipment and monitor to identify variation in operating conditions 2.4 Report any variation in equipment operation to supervisor 2.5 Shut equipment down safely according to workplace procedures 2.6 Unload washed items, and position in required location 2.7 Keep work area clean and tidy according to work, health and food safety procedures 2.8 Clean equipment and complete records, as required by workplace procedures

Foundation Skills	
<i>This section describes those language, literacy, numeracy and employment skills that are essential for performance in this unit of competency but are not explicit in the performance criteria.</i>	
Skill	Description
Learning	<ul style="list-style-type: none"> Recognise and seek guidance to correct simple problems
Writing	<ul style="list-style-type: none"> Keep track of work activities
Reading	<ul style="list-style-type: none"> Follow simple work instructions including detergent dosages Follow control panel prompts
Oral communication	<ul style="list-style-type: none"> Ask simple questions and listen carefully to clarify understanding or seek further information
Numeracy	<ul style="list-style-type: none"> Measure correct amounts of cleaning agents Keep track of work activities and cleaning consumables
