<b>TITLE</b>	<b>Assessment requirements for AHCPGD202 Prepare and maintain plant displays</b>
--------------	--

**Performance Evidence**

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.  
 There must be evidence that the individual has prepared and maintained plant displays on at least three occasions and has:

- identified and reported workplace health and safety hazards
- applied workplace health and safety requirements
- prepared, used and maintained tools, equipment, material and machinery for preparation of plant displays
- interpreted planting plans
- applied fertilisers, chemicals and water to maintain plant health and appearance
- removed and disposed of waste material
- reported plant display preparation and maintenance operations and unserviceable tools and equipment.

**Knowledge Evidence**

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- workplace requirements applicable to health and safety in the workplace for preparing and maintaining plant displays, including appropriate use of personal protective equipment (PPE)
- principles and practices of plant display maintenance, including:
  - common problems occurring with display plants
  - maintenance techniques for annuals and indoor displays
  - planting techniques for annual bed displays
  - remedial action required for display plants displaying health problems.

**Assessment Conditions**

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
  - a workplace setting or an environment that accurately represents workplace conditions
- resources, equipment and materials:
  - materials, tools and equipment applicable to preparing and maintaining plant displays
  - PPE applicable preparing and maintaining plant displays
- specifications:
  - workplace requirements applicable to health and safety in the workplace and preparing and maintaining plant displays
  - planting plan
- relationships:
  - supervisor
- timeframes:
  - according to job requirements.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
